/ DONUM ESTATE /

Donum is at the intersection of fine wine, sustainable farming and art that connects a global community. This delicate balance starts with the vitality of the land. Donum's biodynamic and organic farming practices create growing environments in which its vines can thrive and produce the highest-quality fruit possible. As a result, Donum single-vineyard wines reflect an energy and complexity that shape the character and quality of some of the most celebrated regions in Northern California including the Russian River, Carneros and Anderson Valley.

By focusing its energy in the vineyards throughout the growing season, Donum is able to harvest perfectly ripe fruit that requires little intervention in the winery. The Estate's philosophy is that in order to let the voice of the land speak through the wine, one must reduce their own impact. For this reason, native yeast is used for fermentation in small lots without any additives. Donum is extremely selective in assembling the final cuvees, using only free-run juice, and carefully selecting barrel by barrel only those that are of the best quality.

COGNAC

/ COGNAC – LOUIS XIII /

LOUIS XIII

The oldest and most precious eaux-de-vie made using grapes grown in Grande Champagne – the premier cru of the Cognac region – are carefully blended over the years to create the cognac inside every LOUIS XIII Classic decanter. Provenance and time are the essence of LOUIS XIII cognac. Each drop represents a finely tuned craft passed down from one generation of Cellar Master to the next.

The eaux-de-vie are slowly aged in old Limousin tiercons (traditional aged French oak casks). Every sip is a taste of time.

A high-angle, close-up photograph of a Hennessy cognac bottle resting in its dark, textured presentation box. The bottle is partially filled with a rich, amber-colored liquid. The box is open, revealing a light-colored, custom-shaped insert that cradles the bottle. The lighting is dramatic, highlighting the bottle's contours and the liquid's texture. The background is dark and out of focus.

THE MACALLAN JAMES BOND 60TH ANNIVERSARY RELEASE DECADE IV

This exceptional single malt whisky has been created by The Macallan Master Whisky Maker, Kirsteen Campbell to reflect the character of James Bond. A force of nature defined by his Scottish heritage, he carries himself with modesty and humility.

Fresh and vibrant notes of lemon and lime on the nose, a sprinkle of sherbet, leading into a sweet vanilla and coconut, with a hint of dried fig and raisin. On the palate, orange zest and fizzy sherbet with a lemon freshness, gentle oak and subtle ginger spice, leading into a deep dark chocolate, figs and baked apple tart with a honey drizzle. VINTAGE 1989 30 YEARS
